

Plan internship third year Kaelin Staats

At this moment, the student identified multiple possible organisations for the 3rd year internship project. This is the reason why the student made a table, to create an overview of all the organisations that the student is interested in and, if possible, also a project that the student likes to work on. The overview/table can be found on the next pages.

Ideeën:

Wintersport gebieden stage lopen

- Ontwikkeling van de ski gebieden
- Ontwikkeling van wedstrijd skiën in Nederland
- Andere sporten in ski gebieden
- Werkeninoostenrijk.nl
